# A LETTER FROM THE SUPERINTENDENT

# welcome

This summer, the Carrollton Center for the Arts will have a full house! Besides our own offerings, we will welcome the campers and facilitators of the Neva Lomason Library summer youth, teen and adult programs while the library is being renovated. Our programs will complement each other and everyone is sure to have a fun and enriching experience.

Our music, dance, camps, visual art and theatre programming this summer will explore new frontiers of art following the theme, "Out of This World." Several productions provide both front and back of house experience for young thespians. Visual arts camps -- from drawing to painting and puppetry -- welcome young minds that want to create their own worlds from scratch. Writers, dreamers, makers, movers and shakers can blast off into new horizons at your Center for the Arts. All levels and interests are welcome, from the beginner to the seasoned teen professional. Don't miss out on all the fun.

Sign up early to ensure placement in your favorite activities and we will see you in the summertime!

Sincerely,  
Tim Chapman, *Superintendent of Arts*
