JUNE VIRTUAL CAMPS

Don't let staying at home keep your kids from being creative. This June, we are bringing The Great Artventure straight to your living room! Our virtual camps will engage and inspire your young artists. It's easy! All you need is access to the internet and a phone, tablet or computer with a webcam. We'll provide the rest. Once you register, you will receive instructions about picking-up your camper's kit and a link with details on joining each session. Explore the options.
