A LETTER FROM THE DIRECTOR

# welcome

I try to remind myself each morning to live each day to the fullest, however, that has a whole new meaning to me after living through a pandemic. Like many of you, I experienced an array of emotions while sheltering at home, ranging from sadness to boredom, reminding myself all the time that common activities were now off limits. I am what is called a “socializing socializer,” which is a fancy way of saying I am a people person. Not being able to see my friends and colleagues was difficult. I derive my energy from being around others and hearing about their plans and activities, so working from home and staying focused this spring was uncomfortable. I enjoyed some of what I saw on streaming networks and social media platforms, but I really missed live productions and seeing artwork in person. While opening night is always great, it is the process of getting there, with all the affiliated groups and professionals coming together over the weeks to create something amazing, that I also missed. I missed walking down the hallway with classes of dedicated amateurs working with a great teacher to become better at their medium, little feet learning to point and voices of choirs merging with piano practice or a violin sonata. I missed the pleasure of seeing masterpieces in the making.

It is time to let the arts help heal our community and get back to what will be our new normal. Things change, but the desire to create is constant, especially when normal outlets of distraction vanish. Drop by our website to see what’s available to learn, play or just see, and join our family in your community art center. We’ll save you a seat!

Sincerely,

Tim Chapman  
Superintendent of Arts

# REGISTRATION AND FEES

## FALL SEMESTER REGISTRATION: JULY 20 – AUGUST 21, 2020 SOME CLASSES AND PROGRAMS WILL REMAIN OPEN WHILE SPACE PERMITS.

This year the Carrollton Center for the Arts will have yearly registration for many of our programs. Participants that sign up in the Fall for dance, theatre, and chorus will NOT have to register again for the Winter Semester. There will be some programs that will remain semester offerings, so make sure to look through our catalogue closely.

The Carrollton Center for the Arts does not discriminate against any person with respect to race, color, sex, national origin, religion, age, veteran status, political affiliation or disability.

**Classes may be canceled if minimum participation is not reached.** Participants enrolled in any instructional class, camp, workshop or special event that is canceled by the Carrollton Center for the Arts will receive a full refund or may transfer the registration fee to another class being offered during that semester of programming.

Participants who cancel their registration prior to the beginning of a program will also receive full reimbursement, but a **20% handling fee** will be assessed to cover our costs. **NO REFUND** will be made after the first camp/class session.

No refunds can be made on theatre/concert tickets. Hardships will be handled on an individual basis and **MUST BE** delivered in writing to the superintendent of arts. Please allow four weeks for reimbursement.

### INSTRUCTIONAL FEES

All fees assessed are used to further develop our programs. The majority of fees we charge are used to cover our expenses, including hiring the best qualified instructors and paying operating costs. In order to cover costs, you will see a class/workshop fee, show fees and admission fees for programs and performances. The Carrollton Center for the Arts strives to keep fees to a minimum and affordable for the community.

### PERFORMANCE FEE

A performance fee will be assessed prior to shows performed by youth programs. This covers the costs of rehearsals outside of class, sets, props, lighting, legal rights to music/plays, costumes/uniforms, publicity and other costs associated with production.

### ADMISSION FEES

The admission fee (tickets) will be assessed for public performances. Aside from admission fees adding value to any product created by the Carrollton Center for the Arts, admission fees will be used to support the production staff, including those who work behind the scenes during and after the performance.

### SCHOLARSHIPS

Scholarships are available for individuals that meet the criteria. Please visit our administrative offices for more details.

### PAYMENT OPTIONS

We offer flexible payment options for classes and workshops. Prices listed are for the fall semester. **The fees may be paid all at once or in monthly installments.** For details on payments options, visit [carrolltonarts.com](http://carrolltonarts.com).
