2022 – 2023 | A LOCAL LEGACY

## A LETTER FROM THE PRESIDENT:

Welcome to the twentieth anniversary season of the Carrollton Center for the Arts. Two decades ago, a group of visionary leaders recognized our community's need for a place to gather and experience the arts. They created what is now the Carrollton Center for the Arts and we are fortunate to enjoy the legacy of their achievement. If you played a part in making this special place a reality, we extend to you our sincere gratitude!

In celebration of this milestone year, Carrollton's Arts Commission and the CCA staff are excited to present a spectacular season, featuring some of west Georgia's most gifted "homegrown" artists and performers. These are authentically organic, locally sourced talents from right here in Carroll County – like a deliciously curated farm-to-table meal harvested from our own backyard.

While you're here, make sure to visit the Roush Gallery's current exhibit, stroll the hallways to enjoy seasonal displays from local artists and stop by the box office for tickets to the next performance. Did you know CCA also offers classes throughout the year for all ages in just about every musical, dance and visual art genre? Maybe it's time to dust off those rusty strings, dip your brush into some watercolors or audition for a community theater production. Wherever your creative spark leads, there's a way to discover your gifts, hone your talents and make new friends at the Carrollton Center for the Arts.

Thanks for joining us for these performances and exhibitions. If it's your first time visiting, we invite you to come back soon and explore the many opportunities to get involved in this hub of all things creative in Carrollton. We hope you'll be a part of the next twenty years – and beyond – of vibrant arts and culture in west Georgia.

Sincerely,  
Dr. Kelly Steed  
President, Carrollton Arts Commission
