SUPPORT THE ARTS

The Center for the Arts' 2025–26 fiscal year has been exceptional. Our programs welcomed more than 60,000 attendees across classes, workshops, events, performances and exhibitions. This remarkable level of engagement helps foster a vibrant arts culture in Carrollton while contributing meaningfully to downtown development and local tourism.

We remain committed to delivering high-quality arts programming. Our upcoming season will showcase national, regional and local artists across multiple disciplines—many of whom began and grew within our own programs.

We ask for your continued partnership as we fulfill our mission to educate, celebrate and showcase the creative talents of West Georgia. Your generosity helps us deliver outstanding arts programming to our community.

Thank you for your continued investment in the arts. We look forward to welcoming you back to your community arts center in the coming fiscal year—we'll save you a seat.

Sincerely,
Tim Chapman
Center for the Arts Manager
