

EXHIBITION SUBMISSIONS

Artwork from previous exhibitions

The Carrollton Center for the Arts invites visual artists from the southeastern region of the United States to submit exhibition proposals for consideration for the upcoming gallery season. The Roush Gallery (approximately 1192 square feet) is housed within the center located in the historic downtown area of Carrollton, Georgia, an hour west of Atlanta. Our facility regularly services 60,000 patrons annually and hosts the annual Arts Festival of Carrollton which draws 5,000 guests to our venue. The Roush Gallery offers state of the art LED lighting and technology capable of effectively presenting a wide array of media. Solo exhibits, two-man shows, collaborations, installation proposals and group exhibitions are welcome to apply. The center also houses the Galleria, a multi-function corridor gallery that hosts both professional and emerging artists. Marketing, exhibit installation by trained staff and a formal reception are included for most featured exhibits.

SUBMISSION GUIDELINES FOR EXHIBITIONS AT THE CARROLLTON CENTER FOR THE ARTS

- Artists, in any traditional or new media are welcome to apply. Each submission will be reviewed by the CCA's Visual Arts Committee and submitted to CCA staff and the center's advisory board for final planning and selection along with additional artists suggested by staff and committee members. The review process for each upcoming year occurs October through December. Artists selected for exhibit will be contacted by the end of February of the following year. *Note that not all submitted proposals will be selected. As the arts center is an extension of the City of Carrollton, works the express or illustrate strong political ideas, nudity, violence and other forms of mature subject matter are not permitted.* The committee may hold onto submissions for review during future exhibition seasons, and artists are welcome to resubmit each year if they were not chosen.

To be considered for an exhibit, artists must provide the submission form and the additional information required on the form. Artists may submit a physical packet to the Visual Arts Coordinator at the center or may email all of the needed information to mkuykendall@carrollton-ga.gov. The submission deadline is the end of August of each year. Contact the Visual Arts Coordinator for more information.
